# Frequently Asked Questions

## What is Summer Adventures at Prep?

Summer Adventures is our new summer offering at Charlotte Prep. We have six weeks of specialty-themed camps or traditional summer camps with full-day and half-day options.

## What are camp hours?

Full Day: 9:00 a.m. - 4:00 p.m.

Half Day (morning): 9:00 a.m. - 12:00 p.m.

Half Day (afternoon): 1:00 p.m. - 4:00 p.m.

## Will there be early drop-off and late pick-up?

Yes, for \$50 per week, campers can be dropped off at 8:00 a.m. AND picked up by 5:00 p.m.

## How do I register for Nike Sports Camps?

Register for Nike Sports Camps at Charlotte Prep on this website:

<https://www.ussportscamps.com/soccer/nike/nike-soccer-camp-charlotte-prep-school>

## What grade levels can sign up for Summer Adventures at Prep?

Students in grades 1-8 (rising) can sign up for most of our specialty-themed camps (see information attached) and grades K-8 (rising) can sign up for traditional summer camp.

## When is payment due?

Payment is due at the time of registration.

## Is lunch included in the registration fee?

Due to construction, our dining hall will not be available to provide lunch during camp. However, we will provide pizza for campers every Friday.

## Will construction on campus affect Summer Adventures at Prep?

Yes, some spaces will be unavailable, but we have made our plans accordingly.

## Is my current TK student already registered for Summer Adventures at Prep?

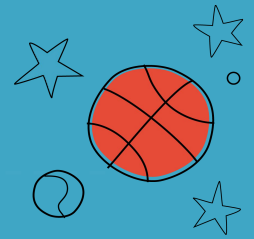

If your student is currently a year-round TK student, they are already registered for 6 weeks of traditional summer camp and their payment was included as part of their tuition. You do NOT need to re-register them.

# Field Trip Camp

(Rising Grades 5-8)

Join us for an exhilarating week-long summer field trip camp packed with adventure and learning! Campers will kick off their journey at **Carowinds**, experiencing thrilling rides and attractions that blend fun with physics. Next, they'll dive into hands-on science exploration at **Discovery Place**, where interactive exhibits ignite curiosity. The excitement continues at the **Museum of Illusions**, where mind-bending displays challenge perceptions and spark creativity. A visit to **SEA LIFE Charlotte Concord** will take campers beneath the waves, showcasing incredible marine life and fostering a love for ocean conservation. Finally, the week wraps up with a day of outdoor fun at the **Whitewater Center**, where participants can enjoy kayaking, zip-lining, and hiking in a beautiful natural setting. This camp promises a perfect mix of education, adventure, and unforgettable memories!

# A.I. Pioneers

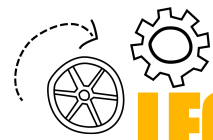

(Rising Grades 5-8)

AI Pioneers is a project-based **artificial intelligence primer for middle schoolers**. Our emerging engineers will learn how to **create projects for social good with Python programming language**. Through hands-on coding, students will learn how computers can use data to solve complex problems like natural language processing and computer vision. Led by **Stanford, MIT, and Ivy League** alumni and grad students, students will explore the ways they can meaningfully use AI to predict heart disease, create social robots, assist with disaster relief, and navigate autonomous vehicles.

In our curriculum, we emphasize ethical responsibility, career paths in artificial intelligence, and interdisciplinary applications! **From beginner to advanced coders**, we envision a future where students of all backgrounds can contribute towards a bright future of inclusivity and technological advancement.

# LEGO/STEM CAMP

(Rising Grades 1-8)

Join us for an exciting, one-week summer LEGO/STEM camp, where creativity meets engineering! Kids will dive into hands-on projects, building everything from **robotic contraptions to imaginative structures**. Each day features engaging activities that blend science, technology, engineering, art, and math, all through the fun of LEGO bricks.

With teamwork, problem-solving challenges, and guided instruction, campers will unleash their inner builders while making new friends. With different sets and lessons, this camp is perfect for **all skill levels**. Come explore, create, and innovate!

# THEATRE CAMP

(Rising Grades 1-8)

The **PlayTime Summer Program** at Charlotte Prep is an exciting, week-long creative adventure where students collaborate to **develop and present an original short play**. Through a blend of improvisational games, skit development, and character creation, campers explore themes of humor and suspense in a fun and supportive environment. The program emphasizes teamwork, creative expression, and the joy of storytelling, culminating in a final performance at the end of the week. Students work in groups, develop their own characters, and learn stagecraft, for an experience that promises to be both educational and enjoyable.

# MasterChef Juniors

(Rising Grades 1-8)

Our one-week Summer Cooking Camp for grades 1-8 is the perfect opportunity for young chefs to discover the joy of cooking in a fun, hands-on environment.

**Campers will learn essential kitchen skills**, explore a variety of cuisines, and create delicious dishes from scratch, all while making new friends and developing teamwork skills. Each day features exciting, age-appropriate activities, including **cooking challenges, food-themed games, and interactive lessons** on nutrition and food safety. From homemade pizzas and fresh pasta to sweet treats and smoothies, kids will have the chance to explore their creativity and taste their culinary creations. By the end of the week, campers will have gained confidence in the kitchen and leave with lasting memories and new recipes to share with family and friends.

# Nike Soccer Camps

(Rising Grades 1-8)

Elevate your child's soccer skills at the **Nike Soccer Camp at Charlotte Prep School**. Whether your young athlete is just starting or looking to sharpen their technique, this camp offers the perfect mix of **skill development, fun, and camaraderie in a supportive environment**. Located in the heart of Charlotte, the camp provides easy access for local families and offers a top-tier training experience for children across the region.

Highlights Include:
